REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)
B2745.0028/P0028

I hereby declare that:

Each inventor's residence, mailing address and citizenship are stated below next to their name.

I believe the inventors named below to be the original and first inventor(s) of the subject matter which is described and claimed in patent number 6,285,987, granted September 4, 2001 and for which a reissue patent is sought on the invention entitled

INTERNET ADVERTISING SYSTEM

the specification of which

☐ is attached hereto.

☒ Was filed on September 4, 2003 as reissue application number Not Yet Assigned
and was amended on September 4, 2003
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

☐ I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b). Attached is form PTO/SB/02B (or equivalent) listing the foreign applications.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

Applicants claimed less than they had the right to claim in prosecution of this patent application. Specifically, limitations such as "storing advertisements in a data base on a first server, said web pages having HTML references to said first server, maintaining a data base of information on viewers" in claim 6 and "storing advertisements on a first server, said web pages having HTML references to said first server, storing a data base of information on viewers and on the web sites that have been accessed by particular browsers" in claim 13 unduly limit the scope of protectable subject matter.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

(REISSUE APPLICATION DECLARATION BY THE INVENTOR, page 2)

Docket Number (Optional)
B2745.0028/P0028

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.
